

Strategic Plan Update

December 5, 2011

<p>Belief: Ensure the personal and academic learning and challenges necessary to prepare students for the real world To prepare students to become independent thinkers for the real world</p>		
<p>Topic: Curriculum – LIBRARY MEDIA</p>		
<p><u>Results</u> (outcomes/goals)</p>	<p><u>Strategies</u></p>	<p><u>Indicators</u> (measurements of success)</p>
<ul style="list-style-type: none"> ▪ Learners use skills, resources, & tools to: Inquire, think critically, and gain knowledge. ▪ Learners use skills, resources, & tools to: Draw conclusions, make informed decisions, apply knowledge to new situations, and create new knowledge. ▪ Learners use skills, resources, & tools to: Share knowledge and participate ethically and productively as members of our democratic society. 	<ol style="list-style-type: none"> 1. Review all resources for equity in an effort to meet the American Association of School Librarians Standards for 21st Century Learner <ol style="list-style-type: none"> a. Ensure students have materials available at a variety of reading levels to support their academic and personal requirements for becoming confident users of information. b. Ensure students have current print and digital reading materials both fiction and nonfiction available at a variety of reading levels to develop skills that create life long readers. 2. Review Common Core State Standards crosswalk as related to the American Association of School Librarians Standards for 21st Century Learner 3. Revise curricula, where necessary to create a continuum of library instruction for student skill development. 4. Revise curricula to integrate information literacy skills into the development of other courses taught 5. Include library media specialists in the curriculum writing and review process across content areas district-wide (collaboration in writing curriculum and procuring resources to support curriculum) 6. Provide on-going professional development in the latest trends in library media resources and instructional practices 7. Provide continued opportunities for horizontal and vertical
