Date: 06/08/2011

Strategic Plan Area: ___ Curriculum and Instruction ___ Communication and Community Partnerships ___ Climate **Technology** ___ Facilities

Update Completed by: Robert Kovi, Randall Backus

Goal # 1: Improve student academic achievement through the use of technology in elementary and secondary curriculum

Objective#1: Create Action Teams as subcommittees of the Technology Steering Committee

Actions: (found in the strategic plan)	Update: (Steps Taken since last update)	Proposed Changes or Next Steps
Created six Action Teams 21st Century Team AUP/ Social Media BYOD Team Cloud Team(Google Apps) Teaching With Tech Team W:/ Drive Cleanup Team	Teams have been created and continue to meet to be prepared to report to the steering committee of progress relevant to district goals.	Plan for continued work over the summer
Cloud Team(Google Apps)	The Cloud is working to make a smooth transition of user names from the district's active directory system. In addition they have been preparing a professional development program and user guides for teachers to be used in the 2012-2013 school year.	Complete active directory/LDAP sync and professional development program for roll out in September.
BYOD	The BYOD committee has gained approval from the board of education to conduct surveys and prepare for a small pilot in the 2012-2013 school year. The committee has recently conducted a student BYOD survey	Examine wireless infrastructure, review survey results.

Goal # 3: Ensure that all K-12 educational institutions have the capacity, infrastructure, staffing, and equipment to meet academic and business needs for effective and efficient operations and communications

Objective#1: None specified

Actions: (found in the strategic plan)	Update: (Steps Taken since last update)	Proposed Changes or Next Steps
Tech refresh	Pre-buy of additional wireless access points and configuration to fill in dead spots and provide optimum performance. Pre-buy of replacement computers for all libraries and labs with machines 5 years old or older.	Installation/deployment of items.

	Pre-buy of new network server to replace Alt-HS	
--	---	--

Goal # 4 : Develop a plan of current and future financing requirements to ensure that K-12 resources are available for all students, faculty members, and staff, so they can become technologically literate and proficient. Develop a schema of current and future finance requirements to support the technology plan.

Objective#1: None specified

Actions: (found in the strategic plan)	Update: (Steps Taken since last update)	Proposed Changes or Next Steps
Line item included in annual district technology budget to allocate additional needed and equitable technology resources among the elementary and secondary schools	2011/2012 budget approved with tech items including: network switch replacements, WAP upgrades, student and staff computer upgrades. Developed plans for additional tech purchases using unencumbered fund balance resources from 2011/2012 budget.	Purchase and install items.
