

Would you like to be a part of our practice bus run on August 30<sup>th</sup>?

If your child would like to participate in a practice bus run on August 30, 2010 please be at the appointed bus stop at the published time. The bus routes and pickup times will be in The Record Journal on Saturday, August 28, 2010. Routes will also be available on our district web site Wednesday, August 18, 2010.

This practice run is an opportunity for your child to become familiar with the bus route before the first day of school. Students will remain on the bus after a brief stop at the school and then return home. The bus will complete the entire route.

Please have your child outside approximately 10 minutes before the scheduled time and all kindergarten parents should meet the bus upon returning.

We appreciate your patience during the first week of school as the buses may run early or late as the times are approximate.
