

School Board Conference, Conventions, and Workshops

In recognition of the need for continuing in-service training and development for its members, the Board encourages its membership to participate in meetings and activities of area, state, and national school board associations, as well as the activities of other educational groups and to study and examine the materials received from these organizations. Expenses of Board representatives attending these conferences shall be underwritten by the Board of Education. Individual expenses in excess of \$500 require the prior approval of the Board of Education.

No Board member will be reimbursed for expenses incurred for the purchase of alcoholic beverages. Reimbursement for mileage will be made at the I.R.S. approved rate. Receipts for all expenses will be required.
