School Bus Safety

The Superintendent or designee shall develop procedures to be followed in case of an accident involving a school bus.

An up-to-date list of students on each bus will be kept on file in the school office.

All complaints received relative to school transportation safety shall be recorded and kept on file. The Superintendent or designee shall annually, within thirty (30) days after the end of the school year, provide the Commissioner of Motor Vehicles with a copy of the written record of all complaints received for the previous twelve-month period.
