

School Guidance Programs

A program of comprehensive guidance services shall be maintained in the public schools for students in grades six through twelve.

The middle and high school guidance programs shall include academic, personal/social, and career counseling. In addition, at the high school level, counselors shall assist students in making plans for post secondary education.

A developmental guidance program shall be offered at the elementary and middle school levels.

Policy Approved: 6/24/85

Policy Revised: 4/20/98
