

Public Complaints About School Personnel

Constructive criticism of the schools is welcome when it is motivated by a sincere desire to improve the quality of the educational program and to equip the district schools to perform their task more effectively.

The Board places trust in its employees and desires to support their actions in such a manner that employees are freed from unnecessary, spiteful, or negative criticism and complaints.

Whenever a complaint is made directly to the Board as a whole or to a Board member as an individual, it will be referred to the superintendent of schools for solution. The individual employee involved will be advised of the nature of the complaint and be given every opportunity for explanation, comment, and presentation of the facts as he sees them to the superintendent.
