

Library Media Center Volunteer Opportunity

Library Circulation Volunteer

Do you have an interest in books? Do you enjoy reading? Do you like working with children? Become a volunteer at the library media center!

Volunteers in the library media center use the computerized circulation system to check-out books for students and teachers. They also check-in and file returned books on the shelves, and help children find great books. Volunteering in the library media center is a great way to get to know our school!

We are looking for volunteers one-half day a week (morning or afternoon)

Please consider volunteering one-half day per week, or every other week. Return the bottom portion of this flyer to the Yalesville Media Center if you are interested in volunteering. Lorna Dembinski, part-time media center clerk, will call you to answer your questions and give you more details.

Thank you!

Please complete this form. Detach and return it to the Yalesville Library Media Center.
