DCF	Department of Children and Family Services
DDS	Department of Developmental Services
DRG	Demographic reference group
ECE	Early College Experience
ECS	Education Cost Sharing Grant. ECS aid is the major form of state education aid to Connecticut's towns. The ECS formula is intended to equalize state education funding to towns by taking into account a town's wealth and ability to raise property taxes to pay for education. Poor towns receive more aid per student; affluent towns receive less aid per student. The formula has rarely been fully funded in its 23+-year history.
EEP	Education Enhance Program
EL	English Learner
EIP	Early Intervention Program

Excess Cost Grant	The special education excess cost grant reimburses school districts for (1) the reasonable costs of special education for a student who lives in the district that exceed 4.5 times the district's net current expenditure per pupil expenditures (NCEP) for the preceding year (CGS § 10-76g (b) (2) (B)) and (2) 100% of the cost of special education for any student placed in the district by a state agency and who has no identifiable home district in the state (§ 10-76g (a) (2)). Reimbursable costs include those for special education instructional personnel, equipment and materials, tuition, transportation, rent for space or equipment, and consultant services, all as defined in § 10-76f. This grant has not been 100% funded, the 2017 grant was funded at approximately 70.
FTE	Full Time Equivalent
Horizon	Electronic Payment System utilized primarily for the Food Services program.
Hosting of PowerSchool	Rather than having a physical server here in the district and maintaining the server and PowerSchool software ourselves, our PowerSchool system would reside on the server owned, maintained and located at a PowerSchool facility. PowerSchool would maintain the hardware, backup the data and install all updates to the software.
IDEA	Individuals with Disabilities Education Act
IAGD	Indicators of Academic Growth and Development
IEP	Individualized Education Program
Math Academy	Preparation for incoming Algebra 1 students
Naviance	A software program that assists students / parents in planning for future (Success Plans)
NCEP	The Net Current Expenditure Per Pupil (NCEP) has been a primary measure of per pupil spending in Connecticut for more than three decades. NCEP measures education expenditures (with a couple of adjustments) for all the students for which a town is fiscally responsible, regardless of whether the town operates its own school or tuitions its resident students to other districts/regions or private schools.
