Date: May 31, 2013

Strategic Plan Area: Climate

Update completed by: Rob Mancusi

Goal # 1: All staff will feel respected and included in the school community

Objective: Staff will know and have resources available to work through issues with colleagues for both professional and personal issues and concerns including health

Actions: (found in the strategic plan)	Update: (Steps Taken since last update)	Proposed Changes or Next Steps
Action Step #2 Review past surveys and updated surveys this spring in specific grade levels and district programs to identify areas of concerns and appropriateness of district resources	Completed climate surveys this spring and developed school climate plans based on analysis of survey results	Review District Climate Goals drawn from Building Climate Plans with Management team in fall 2013

UPDATE

Wallingford Public Schools 2011-2016 Strategic Plan

Date: May 31, 2013

Strategic Plan Area: District Climate

Update Completed by: Rob Mancusi

Goal #: 4 All students will be educated in effective problem solving skills so that they experience fairness in their interactions with all members of the school community

Objective: PD will be uniformly provided at all levels to develop proficiency and positive behavioral support and problem solving strategies. Standards that are set will be applied and communicated uniformly.

Actions: (found in the strategic plan)	Update: (Steps Taken since last update)	Proposed Changes or Next Steps
<p>Action step #1: Reviewed positive behavioral support programs in each building</p>	<p>Based on review of school positive behavioral support programs in district it was determined that selected high school and administrative staff would attend an informational workshop at SERC on PBIS in February 2013 ,</p> <p>After attending informational workshop the district applied to SERC for training and technical support to begin implementation of PBIS in each high school beginning in September 2013.</p> <p>Both high schools were chosen by SERC to begin training in the implementation of PBIS beginning in the September 2013.</p> <p>Each high school has developed a school-wide behavioral leadership team</p> <p>A district wide PBIS roll-out plan to begin in the fall 2013 starting at the two high schools and introducing two additional schools each year has been developed.</p>	<p>Begin implementation of PBIS in each high school in September 2013</p>

UPDATE
