

Bullying**Prevention and Intervention Strategy**

The District shall implement, as required by C.G.S. 10-222d, as amended, a prevention and intervention strategy which may include, but is not limited to:

1. Implementation of positive behavioral interventions and supports process or another evidence-based model approach for safe school climate or for the prevention of bullying identified by the Department of Education.
2. School rules prohibiting bullying, harassment, and intimidation and establishing appropriate consequences for those who engage in such acts.
3. Adequate adult supervision of outdoor areas, hallways, the lunchroom, and other specific areas where bullying is likely to occur.
4. Inclusion of grade-appropriate bullying education and prevention curricula in kindergarten through high school.
5. Individual interventions with the bully, parents and school employees and interventions with the bullied child, parents, and school employees.
6. School wide training related to safe school climate.
7. Student peer training, education and support.
8. Promotion of parent involvement in bullying prevention through individual or team participation in meetings, trainings, and individual interventions.

District Safe School Climate Coordinator

For the school year commencing July 1, 2012, and each school year thereafter, the Superintendent of Schools shall appoint, from among existing District staff, a District Safe School Climate Coordinator.

The Coordinator shall:

1. Implement the District's safe school climate plan;
2. Collaborate with safe school climate specialists, the Board, and the Superintendent to prevent, identify, and respond to bullying in District schools;
3. Provide data and information derived from the safe school climate assessments, in collaboration with the Superintendent, to the Department of Education; and
4. Meet with the safe school climate specialists at least twice during the school year to discuss bullying issues in the District and make recommended changes to the District's safe school climate plan.

Bullying

Safe School Climate Specialist

For the school year commencing July 1, 2012, and each school year thereafter, each school Principal shall serve, or designate someone to serve, as the Safe School Climate Specialist for the school.

The Specialist in each school shall:

1. Investigate or supervise the investigation of reported acts of bullying in the school in accordance with the District's Safe School Climate Plan;
2. Collect and maintain records of reports and investigations of bullying in the school; and
3. Act as the primary school official responsible for preventing, identifying and responding to bullying reports in the school.

Safe School Climate Committee

For the school year commencing July 1, 2012, and each school year thereafter, the Principal of each District school shall establish a new committee or designate at least one existing committee that is responsible for developing and fostering a safe school climate and addressing issues related to bullying in the school. The committee must include at least one parent/guardian of a student enrolled in the school, appointed by the Principal.

The Safe School Climate Committee shall:

1. Receive copies of completed reports following investigations of bullying;
2. Identify and address patterns of bullying among students in the school;
3. Review and amend school policies relating to bullying;
4. Review and make recommendation to the District Safe School Climate Coordinator regarding the District's Safe Climate Plan based on issues and experiences specific to the school;
5. Educate students, school employees and parents and guardians of students on issues relating to bullying;
6. Collaborate with the District Safe School Climate Coordinator in the collection of data regarding bullying; and
7. Perform any other duties as determined by the School Principal that are related to the prevention, identification and response to school bullying for the school.

Parent members of the Safe School Climate Committee are excluded from activities #1 and #2 above and from any other committee activities that may compromise student confidentiality.

Bullying

Safe School Climate Plan

The Board of Education shall develop and implement a Safe School Climate Plan to address the existence of bullying in its schools. Such plan shall:

1. Enable students to anonymously report acts of bullying to school employees and require students and the parents or guardians of students to be notified annually of the process by which they may make such reports;
2. Enable the parents or guardians of students to file written reports of suspected bullying;
3. Require school employees who witness acts of bullying or receive reports of bullying to orally notify the Safe School Climate Specialist, or another school administrator if the Safe School Climate Specialist is unavailable, not later than one school day after such school employee witnesses or receives a report of bullying, and to file a written report not later than two school days after making such oral report;
4. Require the Safe School Climate Specialist to investigate or supervise the investigation of all reports of bullying and ensure that such investigation is completed promptly after receipt of any written reports made under this section;
5. Require the Safe School Climate specialist to review any anonymous reports, except that no disciplinary action shall be taken solely on the basis of an anonymous report;
6. Include a prevention and intervention strategy for school employees to deal with bullying;
7. Provide for the inclusion of language in student codes of conduct concerning bullying;
8. Require each school to notify the parents or guardians of students who commit any verified acts of bullying and the parents or guardians of students against whom such acts were directed not later than forty-eight hours after the completion of the investigation. The required notification and invitation shall include a description of the response of school employees to such acts and any consequences that may result from the commission of further acts of bullying;
9. Require each school to invite the parents or guardians of a student who commits any verified act of bullying and the parents or guardians of the student against whom such act was directed, to a meeting to communicate to such parents or guardians the measures being taken by the school to ensure the student's safety and to prevent further acts of bullying;

Safe School Climate Plan (continued)

10. Establish a procedure for each school to document and maintain records relating to reports and investigations of bullying in such school and to maintain a list of the number of verified acts of bullying in such school and make such list available for public inspection, and annually report such number to the Department of Education, and in such manner as prescribed by the Commissioner of Education;
11. Direct the development of case-by-case interventions for addressing repeated incidents of bullying against a single individual or recurrently perpetrated bullying incidents by the same individual that may include both counseling and discipline;
12. Prohibit discrimination and retaliation against an individual who reports or assists in the investigation of an act of bullying;
13. Direct the development of student safety support plans for students against whom an act of bullying was directed that addresses safety measures the school will take to protect such student against further acts of bullying;
14. Require the Principal of a school, or the Principal's designee, to notify the appropriate local law enforcement agency when such Principal, or the Principal's designee, believes that any acts of bullying constitute criminal conduct;
15. Prohibit bullying (A) on school grounds, at a school-sponsored or school-related activity, function or program whether on or off school grounds, at a school bus stop, on a school bus or other vehicle owned, leased or used by the Board or through the use of an electronic device or an electronic mobile device owned, leased or used by the Board and (B) outside of the school setting if such bullying (i) creates a hostile environment at school for the student against whom such bullying was directed, (ii) infringes on the rights of the student against whom such bullying was directed at school, or (iii) substantially disrupts the education process or the orderly operation of a school;
16. Require, at the beginning of each school year, each school to provide all employees with a written or electronic copy of the school district's Safe School Climate Plan; and
17. Require that all school employees annually complete the training described in C.G.S. 10- 220a, as amended.

Safe School Climate Assessment

The Board requires each school in the District, on and after July 1, 2012, and biennially thereafter, to complete an assessment using school climate assessment instruments, including surveys, approved and disseminated by the Department of Education pursuant to C.G.S. 10-222h, as amended by PA 11-232. The Board will collect the school climate assessments of each District school and submit them to the Department of Education.

Note: *The Department of Education, within available appropriations, is required by the amended C.G.S. 10-222h, to approve in collaboration with the Connecticut Association of Schools (CAS), and disseminate to all public schools grade-level appropriate school climate assessment instruments, including surveys, to be used by Boards of Education for the purpose of collecting information pertaining to a district's "prevention and intervention strategy" in order to enable the Department to monitor bullying efforts over time and to compare each district's progress to state trends.*

A safe school climate resource network is to be established by the Department of Education, in consultation with the State Education Resource Center, the Governor's Prevention Partnership and the Commission on Children, within available appropriations, for the identification, prevention, and education of school bullying in the state. This network will make available to all schools information, training opportunities and resource materials to improve school climate to diminish bullying.

The Superintendent shall develop rules and procedures, which carry out the provisions of this policy. [In designing administrative regulations, the Superintendent should consult with the greater school community, including students.] In addition, the Superintendent shall provide that students and parents of students are notified of this prohibition against bullying and the penalties for violating the prohibition by ensuring the posting of such information at each school and by ensuring inclusion of such information in student and parent handbooks. [Alternate language: this policy shall be included in all student and faculty handbooks and shall be disseminated to the public in a manner to be determined by the Superintendent.] This policy shall not be interpreted to prohibit a reasonable and civil exchange of opinions, or debate that is protected by state or federal law.
