It is the policy of the Board of Education that any form of discrimination or harassment on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, disability (including pregnancy), or gender identity or expression is forbidden, whether by students, Board employees or third parties subject to the control of the Board. Students, Board employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of students.

It is also the policy of the Board to provide for the prompt and equitable resolution of complaints alleging any discrimination on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, disability (including pregnancy), or gender identity or expression.

If the complaint involves an allegation of discrimination or harassment against a student based on disability or sex, the complainant should be referred to the Board's student policies and procedures related to Section 504 of the Rehabilitation Act/Americans with Disabilities Act (ADA) (Policy: 5145.4 for claims of discrimination and/or harassment based on disability); and Title IX/Sex Discrimination/Sexual Harassment (Policy: 5145.5 for claims of discrimination and/or harassment based on sex).

All other complaints by a student or parents/guardians alleging discrimination against a student on the basis of the other protected characteristics listed herein should file a written complaint with the building principal or school counselor for the student's school.

Preferably, complaints should be filed within thirty (30) days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The district will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of harassment or discrimination on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, disability (including pregnancy), or gender identity or expression. Any such reprisals or retaliation will result in disciplinary action against the retaliator, and other corrective actions as appropriate.

The school district will periodically provide staff development for district administrators and periodically distribute this Policy and the implementing Administrative Regulations to staff and students in an effort to maintain an environment free of harassment and discrimination.

**I. Complaint Procedure:** As soon as a student feels that he or she has been subjected to discrimination or harassment on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, disability (including pregnancy), or gender identity or expression, he/she should make a written complaint to the school counselor or to the building principal for the student's school, or his/her designee. The student and any respondent (if applicable) will be provided a copy of the Board's policy and regulation and made aware of his or her rights.

If a student (or individual acting on behalf of the student) is unable to make a written complaint, the administrator receiving the oral complaint will either reduce the complaint to writing or assist the student (individual acting on behalf of the student) in completing the written complaint form.

All complaints are to be forwarded immediately to the Superintendent or his/her designee. Upon receipt of a complaint alleging harassment or discrimination under this complaint procedure, the Superintendent shall designate a district or school administrator to promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the alleged harasser/discriminator ("respondent") and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible, as determined by the investigator.

Upon receipt of a written complaint of discrimination, the investigator should:

1. offer to meet with the complainant and respondent (if applicable) within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant believes has relevant information, and obtain any relevant documents the complainant may have;

6. communicate the outcome of the investigation in writing to the complainant and respondent (if any) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if any) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the district will remedy the discrimination or harassment, adhering to the requirements of state and federal law;
7. if a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent (if any) will receive notice and interim measures may be implemented (see sub-paragraph 6);
8. whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the harassment or discrimination. Corrective action should include steps to avoid continuing discrimination;
9. if either party to the complaint is not satisfied with the findings and conclusions of the investigation, the complainant may present the complaint and written outcome to the Superintendent within thirty (30) calendar days of receiving the findings. Upon review of a written request from the party requesting an appeal, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator, complainant, and respondent (if any) and meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the complainant and respondent (if any) of the proposed actions within fifteen (15) school days following the receipt of the written request for review.
