Complaints Procedure (Continued)

4. Any student who makes an oral complaint of harassment to any of the above mentioned personnel will be provided a copy of this regulation and requested to make a written complaint as outlined above.
5. All complaints are to be forwarded immediately to the Principal or designee – unless that individual is the subject of the complaint in which case the complaint should be forwarded directly to the Superintendent or designee.
6. If possible, within five (5) working days of receipt of the complaint, the staff member assigned to investigate the complaint shall commence an effective, thorough, objective and complete investigation. The investigator shall consult with individuals reasonably believed to have relevant information, including the student and the alleged harasser, any witnesses to the conduct, and victims of similar conduct that the investigator reasonably believes may exist. The investigation shall be free of stereotypical assumptions about either party. The investigation shall be carried on discreetly, maintaining confidentiality as possible while still conducting an effective and thorough investigation. Throughout the investigative process, due process rights of the alleged harasser will be protected.
7. The investigator shall make a written report summarizing the results of the investigation and proposed disposition of the matter, and shall provide copies of the complainant, the alleged harasser, and, as appropriate, to others directly concerned.
8. If the student complainant is dissatisfied with results of an investigation, he or she may file a written appeal to the Superintendent or designee who shall review the investigator's written report, information collected by the investigator together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes harassment. The Superintendent or designee may also conduct a reasonable investigation, including interviewing the complainant and alleged harasser and any witnesses with relevant information. After completing this review, the Superintendent shall respond as soon as possible in writing to the complainant.

If after a thorough investigation, there is reasonable cause to believe that sexual harassment has occurred, the district shall take reasonable actions to ensure the harassment ceases and will not recur. Actions taken in response to findings of harassment may include reassignment, transfer, or disciplinary action, or warnings that appropriate action shall be taken if further acts of harassment or retaliation occur.

Copies of this regulation will be distributed to all elementary, middle and high school students.
