

Wallingford Public Schools

Belief Statement

We believe that . . .

- ✓ Student learning is at the center of every decision considered by the Wallingford Public Schools.
- ✓ Learning is a responsibility to be shared among students, families, the school system, and the community.
- ✓ To ensure success after high school, learners need to master academic and social skills.
- ✓ Knowing how individuals learn—developmentally, socially, and culturally—drives instruction and curriculum.
- ✓ Learning is nurtured in safe, healthy environments.
- ✓ Transparency and accountability are essential in utilizing the educational resources entrusted to Wallingford Public Schools by the community.
