

Celebration Books

Sponsored by the Cook Hill School

Give a lasting gift to your child in honor of his/her special day! You may have a book purchased in your child's honor to be placed in the Cook Hill library. The celebration book will have a book plate inside the book with your child's name in it. We will also create a display with photos of children holding their celebration books. *Your child can be the first to check out his/her special book and may keep it for one month!*

This is a great lasting way to commemorate a special occasion in your child's life, such as a birthday, first year of school, learning to read, graduation from Cook Hill, a new baby, in honor or memory of a special person in your child's life, Valentine's Day or any holiday. No occasion is too big or too small to celebrate with a book while leaving your child's legacy at school!

Cost for a child's celebration book is \$15.00. Please place this form with a check made out to Cook Hill School in an envelope and return to your child's teacher or to the Cook Hill Library.

Thank you for considering a celebration book as a way to celebrate your child's special day and support the Cook Hill library as well! **We also thank the families who already purchased a celebration book earlier this year!**
